
"SOME THINGS AREN'T FOR SALE AND I CAN'T BE BOUGHT. MY WORD IS MY BOND AND I PROMISE TO ALWAYS CARE, ALWAYS LISTEN, AND TIRELESSLY WORK FOR YOU."

Foster Friess

FOSTER FRIESS
CONSERVATIVE BUSINESSMAN

Foster grew up herding cattle on the family ranch. Though his family didn't have much, he was given something more valuable than money - the values of honesty, courage, pride in your work, and living by the golden rule.

An infantry platoon leader in the U.S. Army, Foster took those values and $800 in leave pay to build a multi-billion-dollar success story of creating jobs and growing businesses.

Foster believes that the Wyoming spirit of kindness and an honest day's work serve as a model to the nation and that we must unlock Wyoming's potential so our children have the opportunity to stay on this land we love.

FREEDOM. PROSPERITY. KINDNESS.

- PROVIDE THE BEST EDUCATION WITHOUT RAISING TAXES
- FOSTER THE ECONOMY TO CREATE DIVERSE, WELL-PAYING JOBS
- CUT WASTEFUL SPENDING, INVEST TAX DOLLARS WISELY
- UNLOCK WYOMING'S POTENTIAL, GET WASHINGTON OUT OF THE WAY
